Le « Recueil de la recherche » permet d'offrir sur une base régulière, un aperçu des dernières publications de recherche et des événements scientifiques pertinents sur ces enjeux de la radicalisation menant à la violence.

The "**Research Digest**" published by the Center for the prevention of radicalization leading to violence (CPRLV) aims to fuel the dissemination and sharing of knowledge with regards to radicalization leading to violence and its prevention. Also, we believe it is essential to carry out scientific monitoring of the knowledge produced on this topic in Quebec, Canada and abroad. The "Research Digest" aims to provide, on a regular basis, an overview of the latest research publications and relevant scientific events pertaining to the issue of radicalization leading to violence.
